Based in Norwich, UK

British Equity number 00194395

Award winning freelance Producer and Director who has produced 15 theatre shows and one TV production. President & Artistic Director of CCP Theatre in Los Angeles for eight years and Artistic Director of Imagine Theatre Company, King's Lynn, for five years. Nicola's producing skills have also ensured employment in a non-production environment, as a freelance International Operations Consultant for American designer lighting company Visual Comfort, tasked with coordinating the opening of new brick and mortar business in multiple countries. Proficient in handling administrative projects, excellent organisational and communication skills, familiar with marketing and social media campaigns and fundraising. Sensitive to inclusivity. In recent years Nicola has concentrated on developing the book for a new musical and creating a producer showcase.
